To Whom It May Concern:

The Georgetown University Institutional Review Board is in compliance with all applicable federal regulations as described in Title 21 and Title 45 of the Code of Federal Regulations as well as with the International Conference on Harmonization (ICH) Good Clinical Practice (GCP) guidelines for Institutional Review Boards.

The Office for Human Research Protections (OHRP) originally approved Georgetown University's (GU's) Federalwide Assurance (FWA) on August 31, 2001. GU's current FWA expiration date is June 8, 2010. GU's FWA identifier is: FWA00001080.

Sincerely,

Sheila Cohen Zimmet
